**FROM: BOARD OF TRUSTEES OF THE SOUTHERN CALIFORNIA UNITED FOOD AND
COMMERCIAL WORKERS UNIONS AND DRUG EMPLOYERS PENSION FUND**

DATE: APRIL 30, 2010

The Pension Protection Act of 2006 (“PPA”) requires the Pension Plan’s actuary to annually certify the funded status of the Pension Plan.

For the Plan Year January 1, 2010 through December 31, 2010, the Board of Trustees is pleased to announce that the Plan’s actuary certified the Plan to be in the “Green Zone.” This is the safest zone that a plan can be in under the PPA. This means that no changes to Pension Plan benefits or contributions will be required by the PPA during 2010.

The Actuary will be required to certify the Pension Plan’s funded status at the beginning of the 2011 Plan Year. You will receive a notice next year to advise you of the Plan’s status for 2011. As long as the Pension Plan remains in the “Green Zone,” contributions and benefits will remain at the levels negotiated in collective bargaining and/or provided in the Pension Plan Document.

For more information about the Plan, contact the Administration Office in writing at the address at the top of this letter.
