Los Angeles, CA 90027

Notice Dated: 11/2010

Dear **Active Indemnity** Plan Participants:

The Drug Benefit Fund is pleased to announce that flu shots are now available at participating network pharmacies (see above). At the present time, if you receive a flu shot at a network pharmacy participating in this program, you will pay the cost of the shot and submit the receipt to the Drug Fund office for 100% reimbursement. Beginning approximately January 1, 2011, if you receive a flu shot at a participating pharmacy, there will be no co-pay and the pharmacy will submit the claim directly to Prescription Solutions for processing.

The program is not available to HMO participants who should contact their HMO for information on how to obtain a flu shot.

(More information will be available on our website on Jan 1st.)

Please visit our website for a list of participating pharmacies, or feel free to give us a call.
